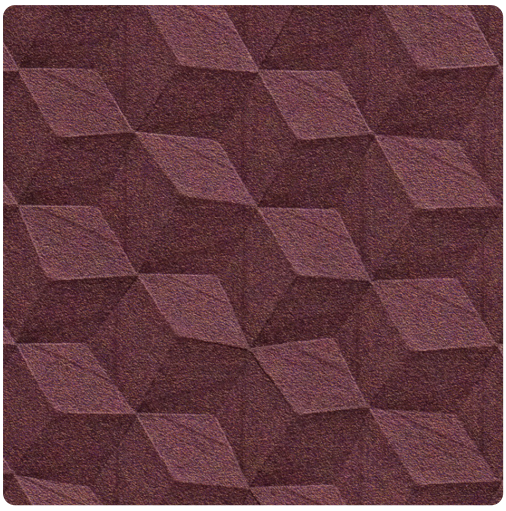
Illusion

2990IS – Romance



Other Available Colors:

Expect to be delighted by the optical sensation of Illusion's cubist design. Lighting plays an engaging role in the chameleon affect of this design's allure. Rhythmic crisp planes appear to pop and recede, creating flow and movement throughout the space. The layered use of iridescent pigments complement a rich and diverse color palette that shifts, shines, and surprises. With both vinyl and mylar options in 25 rich hues, Illusion is as versatile as it is exciting.
