MHE43157 – Delfina Mirror

Our Delphina Mirror features an oversized rectangular frame characterized by a pillar and mantle design. The entire piece is then covered by a lovely antique silver finish. The mirror of the frame has a bevel, enhancing its overall look. D-rings are affixed to the back of the frame so that the mirror is ready to hang right out of the box! This mirror also includes security hardware to safely attach the large frame to the wall when using as a floor mirror.
