MHE230012 – Emilie Guilded Mirror with Shelf

Mirrors

Named for Emilie, the wife of the famed artist Gustav Klimt, who was known for his incredible works with gold leafing and his original oil paintings. Our Emilie round mirror with a shelf truly shines as bright as some of Klimt's very originals. This round frameless mirror's best asset is the versatile shelf that was built into the design. The frame is crafted out of a wood composite and each small sheet of gold leafing is applied by hand for a spectacular overall finish. Whether placed over a vanity or within your homes entryway, this mirror will deliver versatility with high design for sure.
