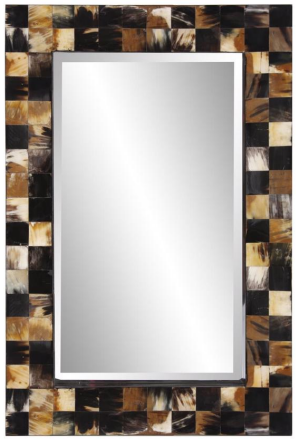
MHE25177 – Elias Horn Tiled Mirror



The Elias collection features inlaid brown and black colored horn from the Asiatic buffaloes. The rich color tones varying from cream to beige to rich dark ebony truly makes these pieces standout. Each design is handmade by local craftsmen who cut, sand, and polish each piece of horn to be expertly applied to the base. Because they are made by hand, each piece is unique and no two will be exactly alike. D-rings are affixed to the back of the mirror so it is ready to hang in either a vertical or horizontal orientation right out of the box!
