## MHE58021 – Clare Coffee Table

### Accent Furniture

The distinct design of our Clare Coffee Table is clear! It features mixed materials combining them to create this stunning collection of tables. Thick, 1.3/4 acrylic legs provide the sturdy base for a polished stainless steel frame which houses thick, tempered glass surfaces. The collection also includes a console, pedestal and side table, sold separately. Pair them together to complete the look. Coordinating Clare Mirrors are also available.
