MHE56042N – Zenith Mirror - Glossy Nickel

Our Zenith Mirror features a rectangular frame that is characterized by a deep textured wave design. The waves give an interesting movement to the piece. It is then finished in a glossy nickel lacquer. The mirror is beveled adding to its style and beauty. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation! The Zenith Mirror is part of our custom paint program and is available in one of fourteen vivid colors. It is proudly painted in the USA.
