MHE8185 – Zenith Mirror

Our Zenith Mirror features a rectangular frame that is characterized by a deep textured wave design. The waves give an interesting movement to the piece. It is then finished in a bright silver leaf finish. The mirror is beveled adding to its style and beauty. It is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a vertical or horizontal orientation!
