MHE8208 – Soho Mirror

The Soho Mirror is a small little mirror, but big on style. It features a round frame with grooved edges. It is finished in a matte black lacquer and bordered with a warm silver inset. What really makes this piece remarkable is the convex mirror which makes for the most interesting reflections. On its own or in multiples, the Soho Mirror is a perfect accent piece for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box!
