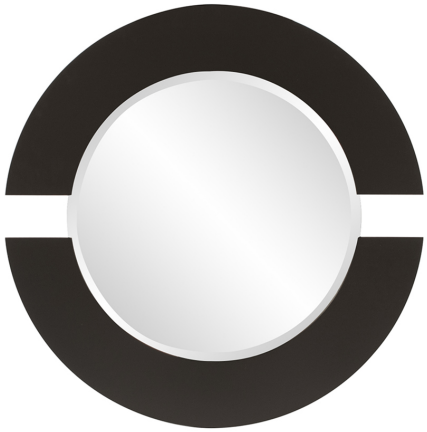
Mirrors

MHE8212 – Orbit Charcoal Mirror



Our Orbit Mirror is an interesting piece. It features a round wood frame that is divided into 2 sections creating a halo around the mirror. It is then finished in a dark matte charcoal gray. The Orbit Mirror is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The mirrored glass on this piece has a bevel adding to its beauty and style. It is also available in silver and copper.
