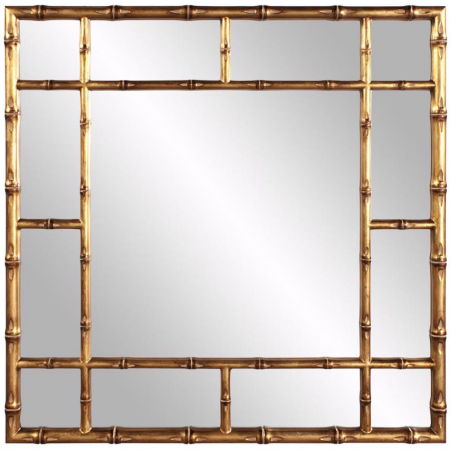
MHE92120 – Bamboo Mirror



Our Bamboo Mirror features a square frame fashioned to look like bamboo rods. It is then finished in our country gold. Its sleek style makes this mirror a favorite for bringing some flair to your decor. This simple yet stunning piece would be a great addition to any room. Alone or in multiples, it is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box in either a square or diamond orientation! Also available in silver.
