Textiles

MHE930-00 – Swatch Ring

Help boost your sales by offering customers our full range of fabrics without using up too much of your valuable floor space. Each swatch ring shows our latest fabrics in a generous 10.1/2 x 12 size and is labeled with fabric care, content and available products. Every time we add new fabrics to our line, we send you the latest additions when you stay an active customer. So don't miss out on this valuable sales tool! Howard Elliott's innovative product line is carefully designed and packaged to ensure low damage rates for their high quality and custom items. The high-style design and high-end materials are what set Howard Elliott apart from the
