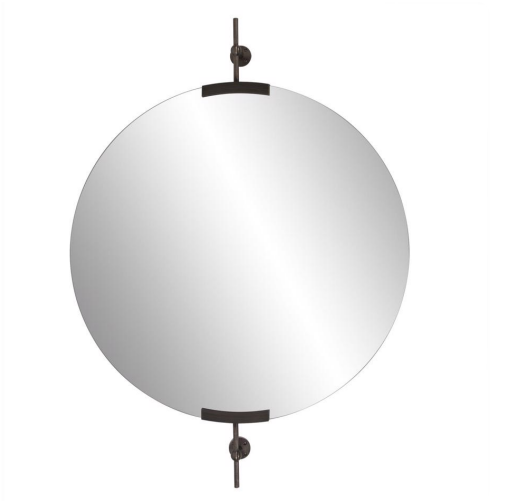
MHE94086 – Wexford Round Mirror



The Wexford mirrors were inspired by the late 1800'sgentleman's barbershop mirrors found throughout England. The hand forged iron brackets finished in a oil rubbed bronze styled finish allows the mirrors to be mounted off the wall. The classic round mirror acts as an excellent mirror over a vanity or entryway. The styling of the Wexford collection recreates a nostalgic feel which is still a big part of today's designer trends.
