Medical & Transport Emergency:
INFOTRAC 800-535-5053

MSDS Date: 07-15-2001

Supersedes: All Previous

Product Identification

Trade Name: MDC PearlProtector™	DOT Classification: Not Regulated
Chemical Family: Water Based Acrylic/Urethane Dispersion	CAS Number: Mixture

Physical Data

Boiling Range (F): 340	Weight per Gallon: 10.3 lb
Freezing Point (F): 32 (Water)	% Volatile by Volume: 67.67
Vapor Density : NA	Appearance & Odor: Liquid, latex odor
Evaporation Rate: Slower than ether	

Hazardous Ingredients

Ingredient	Percent	PPM	Vapor Pressure	CAS Number
Butoxyl Ethanol	5-10	25	.6	00111-76-2

Butoxy ethanol is readily absorbed through skin. Ingestion or absorption may cause red blood cell, liver, and/or kidney damage. Wear a high-efficiency respirator and goggles when applying product. "Caution-off" the application area to prevent others not wearing protective equipment from exposure to any mist.

HMIS RATING: Health=1 Flamability=0 Reactivity=0 Personal Protection=B

Fire & Explosion Hazard Data

Flash Point: NA (aqueous system)
LEL: NA (aqueous system)
OSHA: Non-flammable
DOT: Non-combustible

Fire Extinguishing Media

Use all-purpose foam for large fires, and CO2 or dry chemical media for small fires.

Special Fire Fighting Procedures: Use breathing apparatus when fighting enclosed fires.**Reactivity Data**

Stability: Stable

Hazardous Polymerization: Will Not Occur

Hazardous Decomposition Products: May produce fumes when heated to decomposition, as in welding or fire. Fumes may contain: carbon monoxide, carbon dioxide, oxides of nitrogen and other products of combustion.

Health Hazard Data

Effects of Acute Over Exposure:

Inhalation: May cause headache or nausea.

Skin Contact: Possible irritation. Material is slightly alkaline.

Eye contact: Primary irritation.

Medical Conditions Prone to Aggravation by Exposure: Pre-existing eye, skin, and respiratory disorders may be aggravated by exposure to this product.

EMERGENCY FIRST AID PROCEDURES

Eye contact: Immediately flush eyes for 15 minutes occasionally lifting eyelids. If victim wears contact lenses, remove lenses and continue rinsing. Dispose of contaminated lenses. Seek medical attention.

Skin contact: Wash effected area thoroughly with mild soap and water. If irritation develops and persists, consult a physician.

Inhalation: Move to fresh air if necessary. If irritation persists, consult a physician. If victim is not breathing, artificial respiration should be administered by qualified personnel. Seek immediate medical attention.

Ingestion: Drink one or two glasses of water to dilute. Induce vomiting. Consult a physician or Poison Control Center immediately. Treat symptomatically. Do not administer anything by mouth to an unconscious or disoriented person.

Spill or Leak Procedures

Spills: Limit spread of spill or leak. Soak up with inert absorbent material. Keep out of sewers and/or drains.

Waste Disposal: Dispose of in accordance with all local, state and federal regulations. Approved landfill, approved hazardous waste site, or incineration.

Special Protection Information

Respiratory Protection: When using product in restricted ventilation area, use approved chemical/mechanical filters designed to remove a combination of particulates and vapors.

Ventilation: Ventilation of sufficient volume and pattern should be provided to keep contaminant concentrations below values in Hazardous Ingredients section.

Protective Gloves: Required for prolonged or repeated contact. Rubber or neoprene gloves recommended.

Eye Protection: Use safety eyewear including splashguards or side shields.

Disclaimer

The information in this MSDS was obtained from sources we believe are reliable. However, the information is provided without any representation or warranty, expressed or implied, regarding its accuracy or completeness.

The conditions of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of this product.

Disposal of containers should be in accordance with applicable federal, state and local laws and regulations.
