Tensile Silk

MRE1600 – Sun Deck

Other Available Colors:

Inspired by the luxury of raw silk woven cloth, pattern Tensile Silk creates an illusion of shimmering slubs and handwoven nuances, to wrap any space in a layer of textural warmth. The nature inspired palette is uplifted by using metallic highlights, threaded within the texture for many of the thirteen-color offering. Printed on a vinyl surface with non-woven substrate backing, this highly durable commercial wallcovering smooths effortlessly, is easy to remove, and meets Type II requirements of CCC-W-408A.
