

## Lennon Grass

### 2045LG – Wind Star

#### Len-Tex Contract

This pattern was inspired by a beautiful handwoven grasscloth that was discovered on a recent trip to Asia. We skillfully recreated the design to capture the intricate details of the natural fibers. To enhance the look, we added a pearlescent undertone to simulate the subtle sheen of a real grasscloth. The Lennon Grass palette features 12 natural-toned colorways and 5 contemporary accent colors, warm and inviting, and the perfect backdrop for sleek, modern furnishings as well as traditional décor.
