## Flora

## 4352FL - Petal To The Metal

## Len-Tex Contract

Collectively, we've discovered a special appreciation for things that remind us of simpler times. The goal is to create spaces that feel warm and inviting; a break from the rest of the world. Featuring larger-than-life peonies, Flora calls to mind the peace and serenity of a country garden. Similar to vintage wallpaper with a modern twist, this design is both trendy and nostalgic.
