

# Watermark Moire

## 6041WM – Dawn

### Len-Tex Contract

Stunning! When you want to make an impact, this rich textile effect from Len-Tex is guaranteed to be noticed. Not your traditional moiré, the uneven, wavy nature of this watermarked moiré creates a design which is distinctly different and modern. First introduced in a limited palette in the Paloma Collection, by Len-Tex, Watermark Moiré was so spectacular, that it begged to be shown in more colors! Offered now in a palette of 31 hues, this tip card dazzles with such rich silk colors as deep teal, plum, magenta, willow green and island blue.
