

Aura

7055AR – Nirvana

Len-Tex Contract

A vintage damask print meets metallized film to create Aura, a trendsetting design effect that is both chic and sophisticated. The juxtaposition of the weathered damask motif against the mirrored surface strikes the perfect balance between classic and contemporary styling. A linen emboss captures the light to deliver a unique, luminous aura. Enticing colorways include moonlit white, rich jewel tones, and midnight black--ready to transform an accent wall or focal point in hospitality, retail, or any fashion-forward environment.
