Remix 8716RM – Harmony

Len-Tex Contract

Geometric meets organic in Remix, a distinctively-styled design that visually mimics a sound reverberation effect. Remix features strings of circular shapes repeated in a unique, abstract pattern. From a distance these vertical string elements morph into an organic vibe with fluidity and natural energy. Contrasting print layers and a silk fabric emboss add depth and balance to the design. Colors range from soft neutral notes to accents with a more vibrant tempo.
