

Dixon

EDI3104 – Night Owl

Encore

A tailored textile is never out of style. Dixon has detail and shimmer combined with a subtle, regimented vertical emboss. The surface grain gives Dixon a classic structure representative of fine suiting material, yet the shimmer of metallic from underneath is an unexpected twist. Perfect for volume use, Dixon seams beautifully and is an easy reversible installation. It is offered in a range of classy neutrals from urban gray to rich mink and lighter hues of sesame and pecan. Also shown are deep indigo and scarlet for those accent areas.
