

Buckland

ERB2111 – Grey Skies

Encore

Like a train yard full of waiting box cars, Buckland is lined up and raring to get on the track to sales! This new geometric design from Encore has high style and graphic appeal. Using a metallic background to add sophistication and sheen, the tonal box print is an intriguing way to bring pattern into the interior. Far less busy than one might think, Buckland becomes textural as more of the pattern is seen.
