MCO1902 – Bruleé

Candice Olson Couture

Time-worn leather, complete with gentle folds and wrinkles, is such a handsome look. This faux leather look has all the beautiful patina of the real thing but also has the lasting quality and ease of care that comes with vinyl wallcovering. In addition, there are superb colors that never came from nature such as Flint, a deep metallic teal, or Steel, a glowing sterling silver look-alike, plus ten more.

This item is also available 27" wide as MCO1902N
