Kaye West MDD3170 – Ventura

Design Gallery Inspired Art

This small scale design consists of half inch ovals piled one upon the other in contrasting inks on a solid field. The motif is delicate, the lines as thin as a thread and... surprise...from a distance it looks like fine diagonal quilting. Thirteen fantastic colors await your selection including Mojito, a soft green wallcovering with taupe ovals, or Hemingway, with a terra cotta field and maroon pattern.
