MHE34194 – Metallic Silver
Ribbed Ceramic Bottle Vase

Accessories

This ceramic vase is striking in every way. It features a bottle shape characterized by an organic ribbed texture. The piece is then finished with an electroplated nickel plating that is so metallic it has a mirrored effect. Alone or in multiples this vase will look great in any room. Console tables, book shelves, pedestals or any other place that an accent is needed, are the perfect places for this vase. Pair with the other pieces in the collection to complete your look. Vase can hold water. Opening 3/4
