

Accent Furniture

MHE45023 – Venchi Coffee Table

Accent Furniture

The earthy color tones of amber, mocha, gold, and caramel are beautifully blended together to create a table that will definitely make a statement in any room. Inlaid bone and mother of pearl is painstakingly applied by skilled artisans, who cut and polish each piece by hand. The addition of the brass finished metal base only highlights the overall rich glow that this table seemingly gives off.

Specifications
