

## **Product Specification**

## Accent Furniture MHE48014 – Blue Mirrored Cube Table

## Accent Furniture

The Cube Table is a simple squared design with a mirrored body. Its cubed form creates flat planes that make for the most amazing displays of light and reflections. Each mirrored panel is sapphire blue and has a small bevel that adds to the table's style and beauty. This mirrored table will look great in an entryway, hallway, living room or any place you need a table! Also available in clear mirror.
