MHE51025 – Champagne Aluminum Tray / Wall Decor - Small

Wall Art

This is a unique piece fashioned from aluminum into an organic, round shape. It is characterized by a textured surface that is finished in a gorgeous metallic champagne and gold. What is great about this piece is that it doubles as both a tray OR wall art. Pair with the larger size to complete the look. The wall art comes equipped with hanging hardware so that it is ready to hang right out of the box.
