## Wall Art MHE92395 – Rainy All Day

## Wall Art

I am always intrigued by how water changes and distorts shapes and colors. In this artwork entitled Rainy All Day, I tried to convey the view out my train window as I was traveling across the English Countryside. Colors were seemingly running together almost as if melting, while shapes of trees and meadows changed constantly with the speeding train.

## Specifications

Height 51.3/4H Material Canvas / Wood Width 61.3/4W Shape Rectangle Weight 10 Finish Hand Finished Package Dimensions 57X67X4.5
