

Allerton

MLL4201 – Fool's Gold

Esquire

Esquire introduces Allerton, a crisp vertical texture. When Allerton is washed with metallic ink, the vertical combed striations glimmer beautifully: tailored, structured and elegant. For a softer look, Allerton is shown in 7 matte ink finishes. Found in the palette of 21 colors are anthracite, antique gold, copper and pewter along with midnight blue, white pearl, tans and warm golden hues. Allerton provides the backbone and structure for any interior scheme. For a unique effect, try running the material horizontally!

Allerton is a 20 oz., Type II vinyl made with Second-Look recycled technology.
