

Morgan

MMO4310 – Bistro

Esquire

Reflective interlocking rings join edge to edge creating an intricate and fanciful filigree. Morgan, a spectacular new feature design for Esquire is sure to solicit oohs and aahs! Morgan is dramatic as a feature headwall or decorative elevator bay. Use Morgan to create a fantastic retail interior or for a noteworthy corporate reception area. Morgan is shown in three different finishes. Seven colorings have the surface tipped with ink defining the brushed background texture and delineating the edges of the ovals. Eight are more subtle, with a tonal background print. This treatment allows your light source to define the reflective shapes of the emboss. Solid black and pure white round out the offering. Morgan is a 20 oz., Type II vinyl with a reverse match installation.
