

# Radiator

## MRE1248 – Glimmer

### Restoration Elements

Modern manufacturing techniques seem to work miracles taking one substance and making it look like another in a sort of twenty-first century alchemy. This example takes vinyl, a durable, washable material, and makes it look like beautiful stucco or plaster work with the characteristic texture. Use this marvelous wallcovering in a rustic, industrial, or contemporary setting in grey, beige, aqua, or cream.

#### Specifications

Content Fabric backed Vinyl
