

Masonry

MRE1303 – Fog Transit

Restoration Elements

The solidity of industrial material is mimicked through the use of texture, suggested vertical expansion joints and irregular coloration. Visually, this looks like concrete; sturdy and long lasting. In reality, this vinyl wallcovering is durable thus suitable for high traffic areas. The five relatively neutral color ways include Fog Transit, a blend of beige and grey, plus Indigo Line, hazy blue tinged pewter.

Specifications

Content Fabric backed Vinyl

Width 54"

Weight (oz/lyd) 20

Weight (oz/sqyd) 13.33

Type Type II

Backing Non-woven

Repeat 25.25" Vertical

Pattern Match Non-reversible straight across match

Fire Rating Class A

Flame Spread 25

Smoke Developed 85

Environmental

NSF 342

CA 01350
