

Grid Iron

MRE1376 – Fog Transit

Restoration Elements

Shards of industrial scraps form uneven tiles against a simple workaday woven background, and the resulting pattern captivates. Matte manufacturing alloys mixed with shimmering precious metals create a distinctive nine color palette, as strong as the industries which inspired it.

Specifications

Content Non-woven backed Vinyl

Width 54"

Weight (oz/lyd) 20

Weight (oz/sqyd) 13.33

Type Type II

Backing Non-woven

Pattern Match Random reversible

Fire Rating Class A

Flame Spread 25

Smoke Developed 35

Environmental

NSF 342

CA 01350
