

Jamis

PTD8021 – Fawn

Performance Textile Deck

Natural versatility offers wide ranging applications including wall surfaces where sound-reduction qualities and durability complement its tactile interest. Also very appropriate as a panel or partition fabric, the wide variety of texture patterns and color range provide the perfect backdrop for any design scheme. Their high tear and tensile strength ratings make them ideal for a broad range of commercial installations. Our products are designed and colored to meet constantly changing market needs in the hospitality, corporate, retail, industrial and healthcare markets.
