

Coolidge

RCO1710 – Flint

Acoustical Resource

Emulating ripples in water, Coolidge adds to the familiar Acoustical texture. The palette is made of seven warm colors with a three accenting in cool tones. Made of 100% recycled fibers, the wooded appearance pays homage to the earthy-friendly composition.

This wallcovering features Fosshield, an advanced FDA cleared antimicrobial technology incorporating silver and copper ions into the fiber, which naturally attack microbes, delivering surface protection in addition to reducing the growth of bacteria, mold, mildew and odor.

Specifications

Contents Recycled Polyester

Width 54"

Weight (oz/lyd) 24

Weight (oz/sqyd) 16

Type Medium

Backing Fused Polyester

Pattern Match Random non-reversible

Fire Rating Class A

Flame Spread 15

Smoke Developed 15

NRC Rating .25 over gypsum board

Features

Anti-Microbial Additive
