

Proximity

TFC1333 – Arsenic

Thom Filicia

“Striking & Dynamic with a Playful energy” -- Proximity encapsulates everything that designer Thom Filicia’s collection celebrates. A large scale, Mylar design is set on a soft background, and moves in alternating directions throughout the wall. A dynamic color selection offers classic neutrals and surprising pairings.

Proximity can be installed in either a Straight Match or a Drop Match for two different effects. [Click the image below for a larger version.](#) □
