

Scribble-Less

W2SC09 – Slate

Genon Contract

Scribble-less is a vertical silk with a Strie appearance. Easy to see at a distance, the defined strokes appear as though someone lightly brushed paint down the wall. The most versatile in the group, Scribble-less grounds the mid-scale pattern Scribble, and can be paired with Scribble Sticks for a touch of glam. Having the same background makes designing adjacent spaces child's play.
