

Amalfi Coast

Y46725AC – Freshwater Pearl

Vycon Contract

Amalfi Coast is Vycon's second design by Jill Malek and is a large scale, dramatic look. The moving dune grasses create an ethereal setting and give the wallcovering a naturally calming effect. Amalfi Coast's matte and shine layers have a soft glow of metallic that add elegance. So make a statement with one of the seven awesome color choices. MDC has distribution rights of this product in select states as detailed below.
