

# Tessera

1621TS – Empire

Other Available Colors:

Look through a prism! Fractured images - shards of glass or chips of ceramic. Subtle shifts of color on silk. Tessera plays with color in shimmery overlapping shapes. Up close the dimension and detail is evident, yet step back and Tessera creates a beautiful even wall of sophisticated texture. This distinctive new offering from Len-TEX will enrich any interior with colors that complement and add panache.
