

Lennon Grass Switch

2002LS – Prairie

Len-Tex Contract

Lennon Grass Switch draws inspiration from the Bauhaus genre in architecture and design-- clean, utilitarian shape that plays between foreground and background. The graphic stripe motif is balanced by the natural grasscloth texture for a classic look with a modern point of view.

Perfectly paired with our Lennon Grass line, this companion print has a color line rooted in nature, bringing a calming textural ambiance to interiors.

Specifications

Content Fabric backed Vinyl

Width 53/54"
