

Unwind

2621UN – Solitude

Len-Tex Contract

Big, bold, dramatic -- Unwind is a statement-making design that draws inspiration from the classic spiral shape found in art and architecture. Thought to be a symbol of constant motion, balance, and awareness, the large-scale spiral graphic is perfect for a focal point wall. The pattern elements have a beautiful tonal quality that create maximum depth and dimension. Unwind breaks outside the boundaries to give new energy to a contemporary space.
