

# Coronado Trieste

## 3956TS – Unbleached

### Len-Tex Contract

Coronado Trieste pays homage to the clean lines and geometry of architect Carlo Scarpa. Drawing from his unique modernist designs, the Trieste stripe is reminiscent of metallic fretwork of the art deco era. The striped elements are staggered to create a subtle vertical movement throughout a space. Colors are borrowed from architectural hues of metal and stone. Trieste coordinates beautifully with our Coronado, a classic stone look.
