

## Alloy

### 5642AO – Vermeil

#### Len-Tex Contract

Alloy is influenced by a rugged, gritty textural aesthetic paired with contemporary styling. We've married a coarse vertical stripe emboss with a metallic tip print that catches the light and creates a touch of sheen for a striking dimensional effect. The distressed textural quality with the metallic shine provides a unique patina look with a sophisticated edge. Available in 13 colors that simulate natural mineral and metal tones, along with trendy accents.
