Kai

6800KI – Glacier

Other Available Colors:

Embodying the best of both worlds, Kai features matte and shine, architectural and organic elements artfully combined with a clean and modern emboss to achieve a flawless come-and-go layered effect. The pattern's parallel lines call to mind the layered buildings of a cityscape or a thriving bamboo forest, finished with metallic accents for added dimension and a subtle glint.

Specifications

Content Fabric-backed Vinyl
