7070FB – Halo

Len-Tex Contract

A classic trellis pattern goes glam with Forbidden – this signature design printed on metallized film creates a luminous glow and conveys a unique ethereal quality. The stylized lattice pattern with printed cloud effect allows the interplay of light and shadow, with delicate reflectivity from the mirrored background. Choose from an alluring white, mysterious black, or a range of radiant metal tones that will bring drama and distinction to luxury hospitality or other upscale projects. Forbidden is temptingly inviting...specify it if you dare for truly inspired interiors!
