Other Available Colors:

Crescendo's deeply textured emboss brings a fresh vibe to a classic chevron pattern. The tiled design elements create a unique geometry and rhythm while the vertical bands add structure and symmetry. A slightly-stippled texture combined with a pearlescent finish delivers a matte/sheen contrast and hints of an aged or patina effect. Choose from 16 colorways including strong neutrals, rich metal tones and intense, earthy darks. Crescendo is a statement design that brings a tangible energy to hospitality, retail, and corporate settings.
