

Stetson

9120ST – Lariat

Other Available Colors:

Stetson simulates the beauty and craftsmanship of real leather, rich in visual and textural appeal. This design features a custom emboss of irregularly-spaced vertical rows of stitching, juxtaposed with small, randomly-placed squares, creating a dynamic tactile quality. A subtle print enhances the leather-like quality in a carefully chosen palette of authentic leather colors. Stetson is a tribute to the beauty of hand craftsmanship, and brings a distinguished character to both casual and formal environments--from boardrooms and banks to libraries, lounges and VIP suites.
