

Renwick

ERW2008 – Maison

Encore

Ever popular jute and canvas looks take a sophisticated turn with a background of metallic in the new Encore design, Renwick. This irregular weave has an interesting natural textile quality for use in hospitality to corporate interiors. The surface emboss on Renwick adds further dimension with a crisp woven threading. Offered in 13 colors, Renwick shines in taupes, blues and grays, and wraps you in warm elegance in deep coppery brick.
