Katana

JKA8009 – Tan Lines

Other Available Colors:

Inspired by the fine art of Japanese Tamahagane steel and Samurai Katana swords, this design brings a finely detailed sheen to your space. Gentle texture shimmers in contrast with a lovely yet mild tone base allowing the smaller details to shine. With 16 colorways to select from there is great opportunity at your finger tips. Add its coordinate Katana Geo to your space on a feature wall for an added flare.
