Brixton

MBX9303 – Cathedral

Esquire

Brixton captures the artistic nuance of cathedral architecture. Recognized for its large expanses of glass, sharply pointed spires, and ribbed vaults; Brixton adds a dynamic mid-scale design element to any space. Boasting a palette of 17 colors etched with a sharp metallic design; Brixton takes you from rich Sherwood Forest green, Carmine burgundy, and Firelight copper to cool and warm neutrals such as Alba white and Travertine beige.
